

Rotary Club of Inyokern

Dec. 1, 2009

The Last Minute

Issue #31

Chartered 11/11/1992
District 5240 DG Luz Maria Ortiz-Smith
The Future of Rotary is in *your* hands!

At the November 24th meeting our club was presented a check for sponsorship of the Inyokern Centennial from Mojave Air and Space Port. The check came via the Inyokern Chamber of Commerce and was presented by Russ Mathewson. Russ also presented Mark Swett with the Inyokern Neighbor of the month award. Not to be outdone our club presented the Mathewsons with the Rotary Club of Inyokern Outstanding Service Award. The award was presented for their community work in Inyokern and Ridgecrest, with emphasis on their support of the Inyokern Centennial Celebration.

In attendance: Tiger & Jim, Kim, and Jim D. with Michaele and Linda.

Visitors from China Lake: Jinny and Lenny, Mary, Mark, Roger, Forrest, Richard M and his brother Ed. Guests of the club were Russ and Adrienne Mathewson.

This week Sierra Sands District Superintendent Joanna Rummer, Inyokern School Principal Virginia Cornell, fifth grade teacher Maggie Holm and fourth grade teacher Kathy Rajitora will be here to discuss the fifth grade field trip.

Alana is back from Guatemala and I hope we will have some news about her trip. This will be followed by our business meeting where we will discuss the preparations for the visit of our District Governor Luz Maria.

The Inyokern Holiday Lighting Contest flyers have been delivered to local businesses. Moonshadows is the first entry in the general business category.

Our Photo is of Kim and Mark Swett on the occasion of Mark receiving the Neighbor of the Month Award. The award was presented by Chamber of Commerce Director Russ Mathewson.

The award reads: In appreciation of his support of Inyokern, his support of various Rotary clubs, and the best emergency landing on California highway 14.
