The Future of Rotary is in *your* hands!

At the November 17th meeting our club reviewed the weekend fundraiser for Inyokern School and the community. Contributor Linda Dietzel received a certificate in recognition of *Outstanding Achievement in Macaroni and Cheese* from Alana Stein.

In attendance: Tiger & Jim, Richard, Alana, Kim, Dick, and Jim D. with Michaele and Linda.

Visitors from China Lake: Mary, Mark, Roger, Forrest, Richard M and Ken.

Tonight Adrienne and Russ Mathewson from the Inyokern Chamber of Commerce will have some good news and a surprise or two to share with us. Alana should be back from Guatemala and I hope we will have some news about her trip.

The Inyokern Holiday Lighting Contest flyers have been delivered to local businesses. Linda delivered two thanksgiving baskets to local families on Monday.

Next week Sierra Sands District Superintendent Joanna Rummer, Inyokern School Principal Virginia Cornell, fifth grade teacher Maggie Holm and fourth grade teacher Kathy Rajitora will be here to discuss the fifth grade field trip. This will be followed by our business meeting where we will discuss the preparations for the visit of our District Governor Luz Maria.

Members of the Kern River Valley Rotary Club came to our fundraiser at Inyokern Town Hall.

One of our lucky Kern River Valley members won the door prize from Sierra Cocktails and Supper Club in Inyokern.
