

# Rotary Club of Inyokern

Nov. 17, 2009

The Last Minute

Issue #33

Chartered 11/11/1992  
District 5240 DG Luz Maria Ortiz-Smith  
The Future of Rotary is in *your* hands!

Our November 10<sup>th</sup> meeting included Mark from China Lake, just back from surgery and in excellent form. Last weeks 50/50 winner was Alana Stein. Our club planned the weekend fund raiser for Inyokern School and the community.

In attendance: Diana, Richard, Alana, Kim, Dick, and Jim D. with Michael.

Visitors from China Lake: Mark, Roger, Ed, Barbara, Mary and Al with his granddaughter Katrina.

The program tonight will be an interactive hotwash (*n.* a performance review) of our fundraiser. I ask that you do your best to be open and honest. We need to know what is most effective from a practical, promotional, service and financial point of view.

How much did we bring in?  
How much did we spend?  
Did you find this rewarding on a personal level?  
Do you think this helped our image in the community?  
Did the community support this event?  
How effective were we, and what would you do differently?

I will ask each of you to place a price on the supplies you donated, the tickets you paid for and the silent auction items you purchased. We will place these lists in the happy bucks can (without your name!) and compile the data for our next business meeting.

Richard brought his grill to cook hot dogs outside the Inyokern Town Hall.

Richard was one of many Rotary members and community volunteers at our event. Rotarians from China Lake and Kern River Valley were in attendance.
