The Future of Rotary is in *your* hands!

Our October 6 meeting was our business meeting and we discussed our Fall Fundraiser at Inyokern Town Hall.

In attendance: Diana, Richard, Alana, Lovee, Tiger, Dick, Kim, Jim, Gail Marie and Sam.

Visitors: Barbara, Mary, Jack, Bob, Tony, Ed and Mark from China Lake.

Tonight we will have more details and decisions to make about our Town Hall fundraiser. We might take a hint from another fund raiser I saw recently that is targeted toward family participation- Kids 6-12 half price and under 5 eat free with a paid adult.

Ideas for the event: Pepper Bellies with Brain-twister chili, Sister Sue's sweet chili, Mom's down-home comfort soup, Grandma's corn bread and Uncle Charlie's corn chowder. Hush puppies anyone?

Should we encourage parents and others to donate and enter their chili, soup or corn bread in a contest for valuable prizes? What a great way to start off the 2009 holiday season in our community. The future of Rotary is in our hands!

I hope we will have some details from the meet your President Elect get-together for those of us who could not be at the home of Roger and Alana Stein last Thursday.

Road trip!
