The Future of Rotary is in *your* hands!

Our September 22nd meeting was about the Inyokern Centennial and our 50/50 drawing.

In attendance: Diana, Richard, Alana, Lovee, Tiger, Dick (Nancy), Kim, Jim (Micheale)

Visitors: Ed, Tony, Roger, Barbara, Mark.

Upcoming event: Get to know your president-elect at the home of Roger and Alana Stein Thursday Oct 8 at 6:30.

Our fund raiser was chaired by Richard Retterer. Richard & Mary Retterer, Roger & Alana Stein, Jinny & Lenny DeAngelis, Mark Swett, Diana Watkins and Forrest & Kaye Lloyd were all in attendance at Inyokern School. First District Supervisor John McQuiston stopped in to share breakfast and purchase 50/50 tickets.

The group was on the move and covered the car show, the parade and the Centennial Party. Dick & Nancy Lewis and Tiger & Jim Weeks were at the town hall for the cookies and conversation before Jim Weeks went to the party to count the 50/50 cash. The general drawing had a few left-over prizes which we can donate to Inyokern School for their silent auction.

Pat Youngblood was the 50/50 winner with over \$350. Pat and Buck are with the TLC Dancers and they have donated many items for Inyokern Events. Alana Stein drove Gail Marie Petty's smart car in the parade. Honorary Mayor Dick Lewis rode in an open car.

The big winner was the Inyokern School field trip fund with over \$1500 brought in at the pancake breakfast for our local kids. The Rotary Clubs of Inyokern and China Lake shared breakfast at Inyokern School and also handed out maps with the Rotary logo and the 4-way test.

The Centennial dinner was a big success with many Rotarians in attendance and plenty of congratulations for Inyokern from state and local officials. Special thanks go to Russ and Adrienne Mathewson, Bobby and Lauranna Daniels, Bob Mize, John Rogerson, the Decker Family and E Clampus Vitus for their help with our Centennial Celebration. The Rotary Clubs of Inyokern and China Lake were well represented.
