

What I Like About  
My Town. There are  
five things I like  
about my town. First,  
I like it because it  
is peaceful. The people  
are nice. The people  
say stop and go nice-  
ly. Second, there is  
room to roam. There is  
room to ride bikes.

There is room to  
walk. Third, then people  
have freedom. The  
people say the pledge  
to our flag. The peop-  
le have fun and  
be safe. Fourth, there  
is space. We have  
a big yard we  
share with our  
three neighbors. There

is room to walk with  
out worrying about  
cars. Fifth, the school  
is great. They give up  
put downs. The school  
gave me stuff when  
my house burned  
down. Truly, I love  
my town.
